SCHOLARSHIP TEAM GUIDELINES

"Train children in the way they should go, and when old, they will not stray." Proverbs 22:6

The purpose of the St. John's Scholarship Team is to grant gifts to members of St. John's attending post-secondary education. This faith-based fund, established in 1978, holds the prayerful hope that the students' lives will reflect their faith.

1. The student must submit an application as required to the Scholarship Team.
Applications will be available from team members, Sue Lucht, Lori Stacy and Kim Lumen and from Pastor Stacy after June 1st and must be returned by June 30th each year.
2. The amount received will be determined according to the funds available and the number of applicants. There is no set amount and it may vary from year to year. This gift shall be less than the IRS non-employee miscellaneous compensation limit which currently is \$600.
3. These scholarships should be considered a gift from the congregation with no obligation from the student to repay.
4. Fund raising shall take place each May.
5. Monies for the Scholarship Fund shall be received through memorials, gifts, special offerings, and/or special grants.
6. Recipients will be announced in July or August and a check will be disbursed to the recipient by St John's Treasurer when he/she provides proof of spending the amount of the gift on school - related items.

Finance Team approved the guidelines and application form at their meeting on April 25, 2019 and submitted to Council. Council approved guidelines and application form at their May 7, 2019 meeting.
