Rev. Stacy Lauer-Scovanner, Pastor

August 28, 2018

Dear Friends,

This letter is to notify you of a congregational meeting that will be held on Sunday, September 16, 2018 immediately following the church service. The reason for the meeting is as follows:

The Property Team has learned from Windows Creations that the west side of the church needs immediate caulking and repair of the stucco siding. Windows Creations does not do that kind of work. The Property Team is recommending that we combine the painting of all exterior wooden surfaces, except the wooden doors, along with repairing and caulking the gray stucco panels as soon as possible. The Finance Team and Congregational Council have approved this request.

St. John's constitution states that any time the church has an expense over \$5000, it is necessary for the congregation to vote their approval for that expenditure. The Property Team has received quotes for this project estimating the cost to be approximately \$10,000. These funds will come from the Memorial and Improvement Fund. The congregation's approval will be necessary for this expenditure.

Members of the Property Team will be happy to answer any questions you have about this project:
