## **Dear Congregation Members and Friends of St. John's Lutheran Church, at Union Corners**

We are in the process of raising \$30,000 to repair, where necessary, and install storm windows to protect our wonderful stained glass windows. The best quote we have received was for \$56,650. We are asking the congregation and friends of St. John's to help us save our windows so they will be there to enjoy for many generations in the future. We ask you to fill out the attached pledge card and return it, in an envelope for privacy, by placing it in the offering plate.

This is a 6 month campaign. We ask that you fill out the pledge card as soon as possible, but you have until March 31, 2018 to complete your pledge. You can complete your pledge all at once or over time. When paying toward your pledge, make sure to put it in a separate envelope that is marked for the Window Project and place it in the offering plate. Please make sure to include your name to insure it is credited correctly.
